COACHING

Pick one or two per pillar to start. Write your own in the blank lines on page 1.

DIET	EXERCISE	SLEEP	STRESS
Add a protein serving to breakfast	10-minute walk after a meal	Same wake-up time every day	5 slow breaths before bed
Drink a glass of water before each meal	Do 10 squats	Screens off 30 minutes before bed	5-minute phone-free break
Eat a vegetable at lunch and dinner	Stand up and move every hour	Dim the lights after 9 pm	Write 3 things you're grateful for
No eating 3 hours before bed	Take the stairs	Bedroom cool and dark	Step outside for 5 minutes
Swap one sugary drink for water or unsweetened tea	5 minutes of stretching	No caffeine after noon	Walk without earbuds
Log everything you eat, even roughly	2 sets of wall push-ups	Lights out by the same time each night	Say no to one extra commitment
